

Privacy Notice for Participants in the 13th Polish–Taiwanese Scientific Seminar with a Matchmaking Session, organised as part of the cooperation between the National Centre for Research and Development and the National Science and Technology Council, to be held on 26 October 2026 at the Warsaw Presidential Hotel and devoted to High-Performance Computing and Emerging AI and Quantum Technologies.

In fulfilment of the information obligation arising under Article 13(1) and (2) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation) (OJ EU L 119, 4.5.2016, p. 1, as amended), hereinafter referred to as the "GDPR", we hereby inform you that:

1. The controller of your personal data is the National Centre for Research and Development (hereinafter: "NCBR").
2. You may contact the data controller in any of the following ways:
 - a) by post to the controller's registered office: National Centre for Research and Development, ul. Chmielna 69, 00-801 Warsaw, Poland;
 - b) by telephone at: +48 22 390 74 01;
 - c) by email at: kancelaria@ncbr.gov.pl;
 - d) via the ePUAP electronic inbox at: /NCBiR/SkrytkaESP;
 - e) via the e-Delivery inbox at: AE:PL-61978-60435-RHVSF-07.
3. The controller has appointed a Data Protection Officer, whom you may contact in any of the following ways:
 - a) by email at: iod@ncbr.gov.pl;
 - b) by post to the controller's registered office: National Centre for Research and Development, ul. Chmielna 69, 00-801 Warsaw, Poland.

You may contact the Data Protection Officer in all matters relating to the processing of personal data by NCBR and the exercise of your rights under the GDPR.

4. Your personal data will be processed: (1) for the purpose of organising and conducting the 13th Polish–Taiwanese scientific seminar together with a matchmaking session and providing information materials after its conclusion; and (2) for the purpose of recording and disseminating your image and voice within the scope specified in the declaration submitted by you, in particular in photographic and video materials published on the NCBR website, social media, newsletter and YouTube channel administered by NCBR, for the purpose of promoting NCBR's activities and providing information about the Event. The scope of the data includes, in particular, your first name, surname, email address, image and voice.

The legal basis for the processing of personal data is Article 6(1)(e) of the GDPR in conjunction with the Act of 30 April 2010 on the National Centre for Research and Development, while the transfer of data to the partner in Taiwan is based on Article 49(1)(d) of the GDPR. The legal basis for processing personal data for the purpose of organising and conducting the Event is Article 6(1)(e) of the GDPR in conjunction with the Act of 30 April 2010 on the National Centre for Research and Development. As regards the recording and dissemination of your image and voice, the legal basis is Article 6(1)(b) of the GDPR, as the processing is necessary for the performance of the declaration of consent to the recording and dissemination of image and voice submitted by you, which is treated as a unilateral legal act. As regards the transfer of data to the partner in Taiwan, the transfer is based on Article 49(1)(d) of the GDPR.

5. Data relating to the organisation of and participation in the Event will be retained in accordance with the records-management and archiving regulations applicable at NCBR. Your image and voice will be processed for the period during which the materials are used under the terms of the declaration of consent and, after such use has ceased, for the period necessary to establish, pursue or defend legal claims and to comply with archiving obligations, where applicable.
6. • Under the terms set out in the GDPR, you have the right of access to your data, the right to rectification, the right to object, the right to erasure and the right to restriction of processing.

Under the terms set out in the GDPR, you have the right of access to your data, the right to rectification, the right to erasure and the right to restriction of processing. In relation to data processed on the basis of Article 6(1)(b) of the GDPR, you also have the right to data portability, provided that the conditions laid down in Article 20 of the GDPR are met. The right to object applies to processing based on Article 6(1)(e) of the GDPR, subject to the conditions laid down in Article 21 of the GDPR.

7. Furthermore, your personal data may be disclosed to social media service providers (including Facebook, X, YouTube and LinkedIn) and to the provider hosting the NCBR website (acting as a processor), in connection with the publication of coverage of the Event that may include your image as an element documenting the course of the Event.
8. In connection with the publication of materials on the X, YouTube and LinkedIn platforms, your personal data may be transferred to the United States. Such transfers are made pursuant to the European Commission implementing decision finding an adequate level of protection for personal data under the EU–US Data Privacy Framework. X Corp., Google LLC and LinkedIn Corporation participate in the EU–US Data Privacy Framework.
9. Data concerning your participation in the Event will be disclosed to the partner, the National Science and Technology Council.
10. Your personal data will be processed in connection with your participation in the above-mentioned Event. The data will subsequently be retained for archival purposes for a period of 25 years, in accordance with the Uniform Records Classification Scheme of the National Centre for Research and Development.
11. Under the terms laid down in the GDPR, you have the right to request from the Controller:
 - a) access to your personal data;
 - b) rectification (correction) of your personal data;
 - c) the right to object to the processing of your personal data;
 - d) erasure of your personal data or restriction of its processing.
12. If you consider that the processing of your personal data infringes data protection legislation, you have the right to lodge a complaint with the supervisory authority, namely the President of the Personal Data Protection Office (President of the Personal Data Protection Office, ul. Moniuszki 1A, 00-014 Warsaw, Poland, tel. +48 22 531 03 00).

Provision of the data necessary for registration and organisation of the Event is a condition of participation in the Event. Submission of the declaration concerning the recording and dissemination of image and voice is voluntary. Failure to submit the declaration will not affect your ability to participate in the Event, but will mean that there is no legal basis for recording and disseminating your image and voice on the terms set out in that declaration. The declaration will be submitted on the day of the event during registration.

Warsaw,

.....

Full name

**Declaration of Consent
to the Recording and Dissemination of Image and Voice**

I,, participating in the **13th Polish–Taiwanese Seminar on High-Performance Computing and Emerging AI and Quantum Technologies**, to be held on 26 October 2026 at the Warsaw Presidential Hotel, al. Jerozolimskie 65/79, Warsaw, Bałtyk I Room (hereinafter: the “Event”), hereby consent to the National Centre for Research and Development (hereinafter: “NCBR”) recording, free of charge and on multiple occasions, and disseminating my image captured in photographs and video recordings during the Event.

This consent covers the unrestricted, in terms of both time and territory, free-of-charge and repeated dissemination by NCBR of my image and voice recorded during the Event through the website, social media, newsletter and YouTube channel administered by NCBR, for the purpose of promoting NCBR’s activities and providing information concerning the Event.

I declare that I have read the privacy notice concerning the processing of personal data by NCBR.
