

HEARING AN AIR-RAID ALERT?

THREAT OF AN AIR ATTACK

If you are indoors:

- Go to the shelter point if there is one.
- If there is no shelter point, go to a space located as low as possible (e.g. a suitably prepared underground car park or basement) or a windowless space separated from the outside by two walls (e.g. a corridor).
- Use the stairs only.

If you are outdoors:

- Go to the nearest shelter point.
- Use the gdziesiekryc.pl app.
- You can use a suitably prepared underground car park, basement, tunnel or underpass.
