Click here, if you are looking for specific information - go directly to the category that interests you

Click here, if you want to know the residence options for the situation you are in

To avoid making mistakes, make sure you properly understand the procedure. In the "Find out more" section you will find a number of suggestions.

If you want to apply for a temporary residence permit, a permanent residence permit or a long-term resident's EU residence permit

1. Register a user account with the MOS. You will find a detailed description of how to do this in the "Technical support" database. Remember that each account on the MOS website is assigned to a specific person.

2. Log in to the MOS via login.gov.pl. Once you have logged in, you can fill in applications on-line. You can also use the contact form.

3. Read the information about the permit you are interested in, if you have previously skipped this step. You will find the information in the "Read the information" section.

4. Prepare data and documents required for filling out and submitting the application.

5. Go to the "Apply on-line" panel on the MOS homepage.

6. Fill out the selected application form, attach a digital photo and, if applying for a temporary residence permit, other required annexes.

7. Sign the application via login.gov.pl.

8. Send the application and you are done! Now wait for further guidance from the voivode.
