**RESOLUTION No. 22/2025
OF THE SCIENCE EVALUATION COMMITTEE
of 30 July 2025**

on the evaluation of the quality of education at a doctoral school

Pursuant to Article 259 (1) and Article 262 (2) of the Act of 20 July 2018 - Law on Higher Education and Science (Journal of Laws of 2024, item 1571, as amended), hereinafter referred to as the "Act", having reviewed the result of the evaluation referred to in Article 262 (1) of the Act, which was carried out by the Evaluation Team, the Science Evaluation Committee

positively evaluate the quality of education

at the Doctoral School

run by

Academy of Fine Arts in Gdańsk.

This evaluation applies to the period from 1 October 2019 to 18 December 2024.

Justification:

Based on the analysis of the self-assessment report on the Doctoral School of the Academy of Fine Arts in Gdańsk and information obtained during the on-site visit of the evaluation team, it is confirmed that the Doctoral School, conducted in the disciplines of fine arts and art conservation, meets the requirements set for level 8 of the Polish Qualifications Framework. All other evaluation criteria, including cooperation with the doctoral student council, were also assessed positively.

To ensure transparency and reliability of the evaluation process, detailed comments and assessments regarding individual criteria have been included in the final report. This document includes a comprehensive analysis of the functioning of the Doctoral School, covering issues such as recruitment, organisation of education, cooperation with the academic community, and the activities of the doctoral student council. Thus, the report not only serves as the basis for the formulated conclusions but can also function as a tool to support the further improvement of the School's activities.

The Science Evaluation Committee expresses the hope that the recommendations included in the report will be regarded as valuable guidance supporting the development of the quality of doctoral education and the building of a strong future academic staff.

The Science Evaluation Committee assesses the activities of the Doctoral School at the Academy of Fine Arts in Gdańsk, as well as its doctoral recruitment and education processes, as highly positive.

Note:

An entity dissatisfied with the evaluation may, pursuant to Article 262 (4) of the Act, raise objections to this evaluation within 30 days from the date of delivery of this resolution.
