

“Let's build a Europe of Cybernations”

ECCC Info Day, 02 September 2025

Keynote by Thomas Caspers

Vice-President of the Federal Office for Information Security and ECCC Governing Board Member

Federal Office
for Information Security

ECCC 
EUROPEAN CYBERSECURITY
COMPETENCE CENTRE

European Cybersecurity Network

Significance of European Cooperation

Vision:

„Together, let us build a Europe of Cybernations!“

The cyber threat situation is a huge concern.

A challenge we can overcome only
by working together.

Inspire Innovation in Research and Development

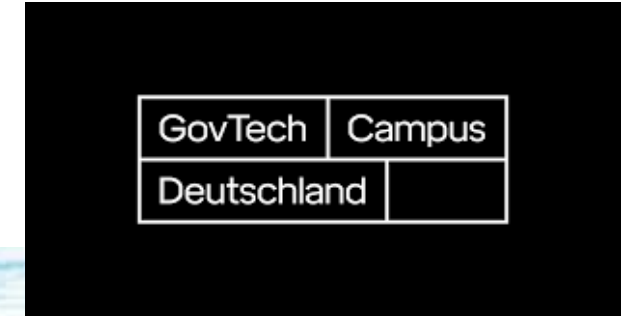

European Funding and national initiatives

Innovation is needed to react to threat landscape.

Important to support cybersecurity projects on national, European and international level, especially involving SMEs and Startups.

Initiatives by the German government e.g.:

Cyberagentur, SPRIN-D and GovTech Campus

Cybersecurity Topics of Interests

Germany: Highly relevant research and development topics

Joint efforts with other EU member states to move forward the transition in

- Post-Quantum Cryptography
- Artificial Intelligence (AI)

EU Funding essential for Technology
“Made in Europe”.

Thank you for your attention!

Thomas Caspers

Vice-President of the Federal Office for Information Security
