**RESOLUTION No. 13/2025
OF THE SCIENCE EVALUATION COMMITTEE
of 18 June 2025**

on the evaluation of the quality of education at a doctoral school

Pursuant to Article 259(1) and Article 262(2) of the Act of 20 July 2018 – Law on Higher Education and Science (Dz.U. / Journal of Laws / of 2024, item 1571, as amended), hereinafter referred to as the "Act", having reviewed the results of the evaluation referred to in Article 262(1) of the Act, which was carried out by the Evaluation Team, the Science Evaluation Committee resolves to

positively evaluate the quality of education

in the areas of economics and finance, legal sciences and management and quality sciences, as provided
at the Doctoral School

run by

Kozminski University in Warsaw.

This evaluation applies to the period from 1 October 2019 to 18 December 2024.

Justification:

The evaluated Doctoral School has met the criteria provided by the law for the areas of economics and finance, legal sciences and management and quality sciences. The cooperation between the Doctoral School and the doctoral student council is excellent. The Doctoral School's curriculum and individual research plans correspond to the characteristics of the learning outcomes for qualifications at level 8 of the Polish Qualification Framework. The education at the Doctoral School is conducted appropriately. Learning outcomes are verified based on university-wide regulations. The rules for recruitment to the Doctoral School have been formulated clearly and in line with the applicable regulations. The quality of academic guidance and support in academic activities has been evaluated positively, with some recommendations for desirable changes. The interim evaluation has been characterised by impartiality, objectivity and transparency. The degree of internationalisation of the Doctoral School is at an adequate level. The effectiveness of doctoral student education has been evaluated in accordance with the size and diverse profile of the Doctoral School.

Note:

Parties dissatisfied with the evaluation may raise objections to it within 30 days of the date of delivery of this resolution, pursuant to Article 262(4) of the Act.
