

Architectural floor plan of a building, likely a school or institutional facility, showing a large central hall and various rooms. The plan includes a grid system (1-14 horizontally, A-A' vertically) and is labeled with 'zasilanie z TGAR' and 'zasilanie z T2'. The central hall has a diamond-patterned floor. Rooms include a kitchen, restrooms, a power room, and several offices. The plan is detailed with furniture, equipment, and technical specifications.

Uwaga:

1. Gniazda wtyczkowe w garażu i myjni na wysokości 1,8m
2. Gniazda oznaczone "K" zasilane z tablicy TUPS2
3. lokalizacja gniazd w zabudowach aneksów rozpatrywać łącznie z rysunkami aneksów proj.architektury
