

## FORM FOR EMPLOYERS

INSTITUTION :The Institute of nuclear chemistry and Technology in Warsaw  
announce for the **position of assistant at the Scientific Department – Centre for Nuclear Technology Applications.**

CITY...Warsaw

### **JOB DESCRIPTION :**

**The Institute of Nuclear Chemistry and Technology in Warsaw announces a competition for the position of Assistant at the Scientific Department – Centre for Nuclear Technology Applications.**

#### **Job description:**

1. conducting research on the recovery of valuable metals from waste materials, including materials containing radioactive metals,
2. conducting research on the immobilization of radioactive waste,
3. use of radioisotope methods and appropriate analytical methods to optimize the process,
4. supervision and assistance of doctoral and master's theses conducted at the Center,
5. preparation of reports and public presentation of results,
6. preparation of scientific publications,
7. participation in the preparation of grant applications.

#### **Required qualifications:**

1. Master's degree in chemistry
2. experience in conducting research using ionizing radiation;
3. scientific achievements in the form of publications in journals from the Philadelphia list;
4. fluent knowledge of Polish and English languages;
5. strong motivation to work and learn new knowledge and technical skills;
6. teamwork skills, experience in scientific cooperation in the implementation of research projects and grants.
7. Possessing a Radiation Protection Inspector qualification and accredited laboratory experience will be massive advantage

#### **Required documents:**

1. letter of application
2. scientific Curriculum Vitae
3. a copy of documents confirming the Master's degree diploma

4. a list of publications published in journals from the Philadelphia List
5. documented information on scientific and professional achievements proved by proper documents
6. a declaration on the full use of civil rights

**We offer:**

1. full-time employment contract
2. work in a modern research institute with extensive experience in conducting research and development in the field of chemistry and nuclear technologies
3. participation in national, international and EU projects
4. cooperation with foreign research institutions

Applications for the competition should be sent by **June 7, 2026** by e-mail to the following address: [j.wawrzynczyk@ichtj.waw.pl](mailto:j.wawrzynczyk@ichtj.waw.pl) with the following title in the email: "asystent w Centrum Zastosowań Technik Jądrowych " (emails without this title will not be taken into consideration).

Announcement of results: **June 18, 2026**

The selected candidates will be invited to an online or in-person interview. We reserve the right to contact and respond only to selected candidates; incomplete applications will not be considered.

Additional information can provide the head of the Centre for Applications of Nuclear Technologies, Dr. Katarzyna Kiegiel, phone: (22) 504 1049, e-mail: [k.kiegiel@ichtj.waw.pl](mailto:k.kiegiel@ichtj.waw.pl)

1. The Controller of your personal data is the Institute of Nuclear Chemistry and Technology in Warsaw at 16 Dorodna Street, 03-195 Warsaw, hereinafter referred to as the Controller.
2. The Controller has appointed a Data Protection Officer. The Controller or the Data Protection Officer can be contacted via email address: [iod@ichtj.waw.pl](mailto:iod@ichtj.waw.pl)
3. Your personal data will be processed for the purpose of the recruitment process - on the basis of Article 6(1)(b) of the Regulation (EU) 2016/679 of the European Parliament and of the Council of April 27, 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation) (hereinafter: " GDPR ") or Article 6(1)(c) of the GDPR.
4. Recipients of your personal data will be only entities authorized to obtain personal data under the law (e.g., courts, tax authorities) and entities participating in the implementation of services for the Controller, such as providers of IT solutions, legal services or insurance company. Data may also be shared with entities supporting or contracting the Administrator's activities (verification, evaluation, monitoring).
5. Your personal data will be processed for the duration of the recruitment process.
6. You have the right to request from the Controller access to your personal data, the right to rectify, erase or restrict processing, the right to data portability, and the right to withdraw consent to the processing of personal data at any time, where withdrawal of consent does not affect the lawfulness of processing carried out on the basis of consent before its withdrawal. You also have the right to object to processing based on the legitimate interests of the Controller - on grounds relating to your particular situation.
7. You have the right to lodge a complaint with a supervisory authority.
8. The provision of your personal data is voluntary, however, refusal to provide data may result in your inability to participate in the recruitment process.
