# 25 Years of CAF: A Community of Excellence

For 25 years, the Common Assessment Framework has united public organizations across regions.

It offers an inclusive platform for excellence that transcends contexts.

Together, we've built more than a model.

 We have created a community of purpose.

# CAF as a Living Tool for Excellence

# CAF Works – Because It Is Efficient and Trusted

50+

Countries

Across diverse systems worldwide

2000+

Organizations

Have implemented CAF successfully

9

Criteria

For continuous improvement

**Common Assessment Framework**

**The European model for improving public organisations through self-assessment**

# CAF Users Are Results-Oriented

From Methodology

Initial focus on implementation processes

To Measurement

Shift toward tracking tangible outcomes

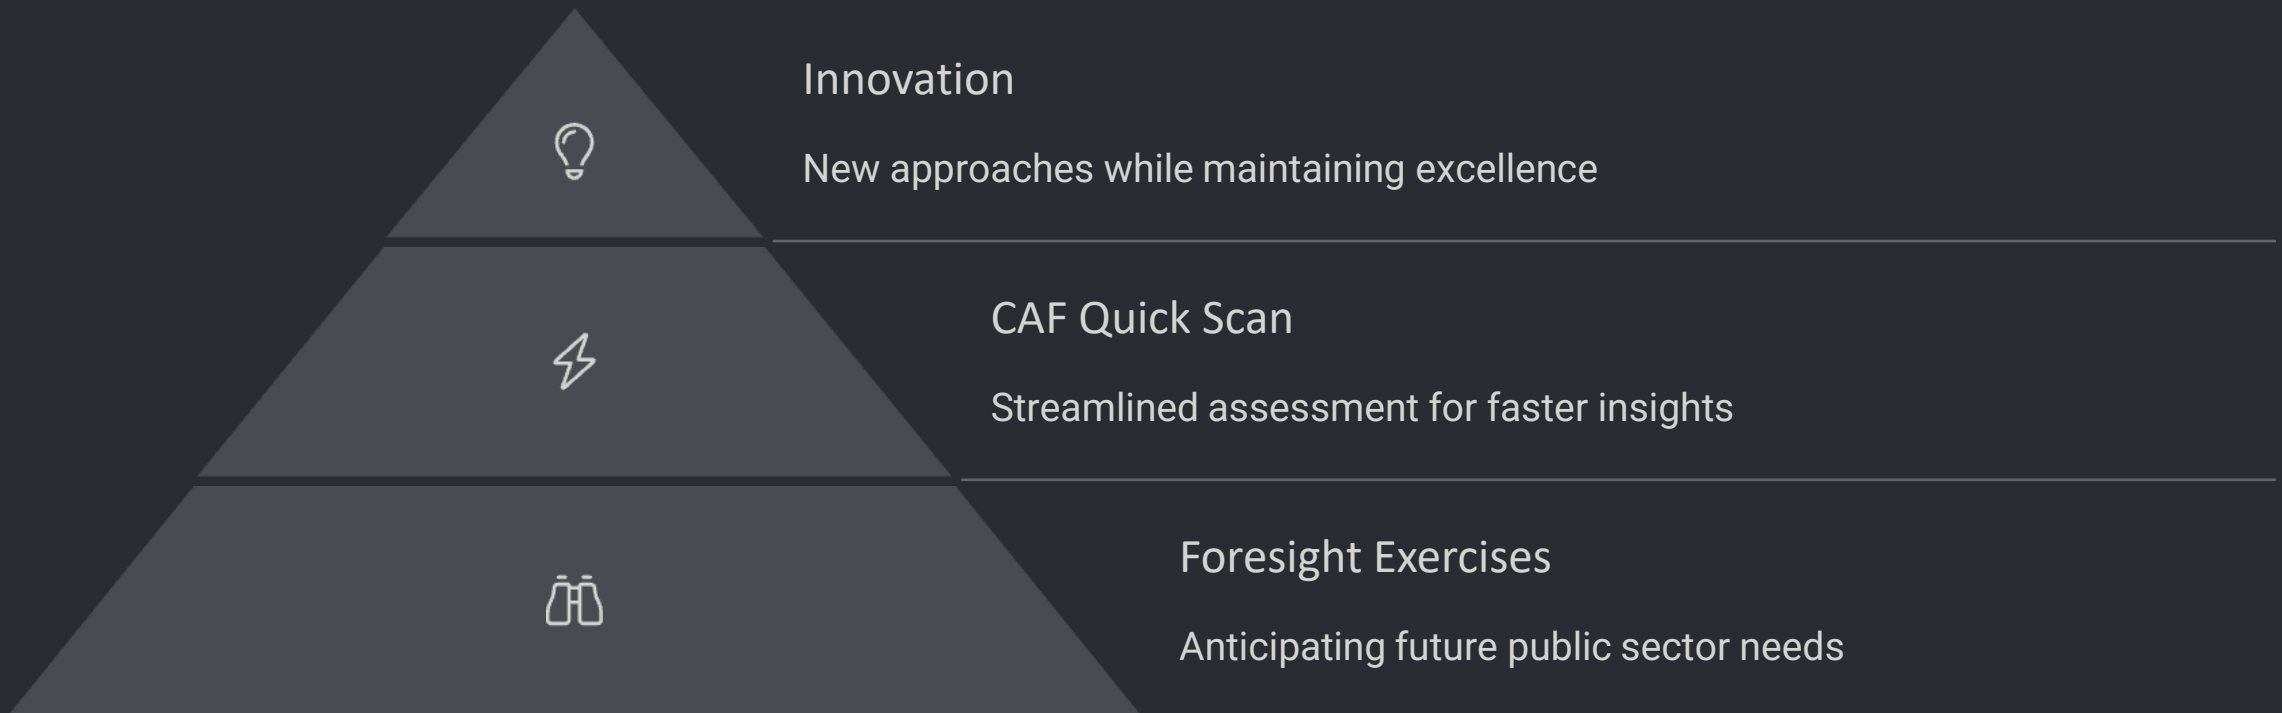

To Action

Driving real transformation in public service

# Overcoming Fatigue by Innovation and Foresight in CAF

# Shifting Gears: Faster, Smarter, Action-Oriented

## Preserve Core DNA

Excellence principles & participation remain central

---

## Accelerate TQM Model

Faster, more action-focused implementation

---

## Dynamic Change Paths

Easier access to results and flexible approaches

# CAF as an EU Change st

Actions taken by the CAF Network

CAF in Education

PM<sup>2</sup> Project Management

Structured methodology for implementing public sector changes effectively.

EU Client Satisfaction Primer

Tools to measure and improve citizen experience with public services.

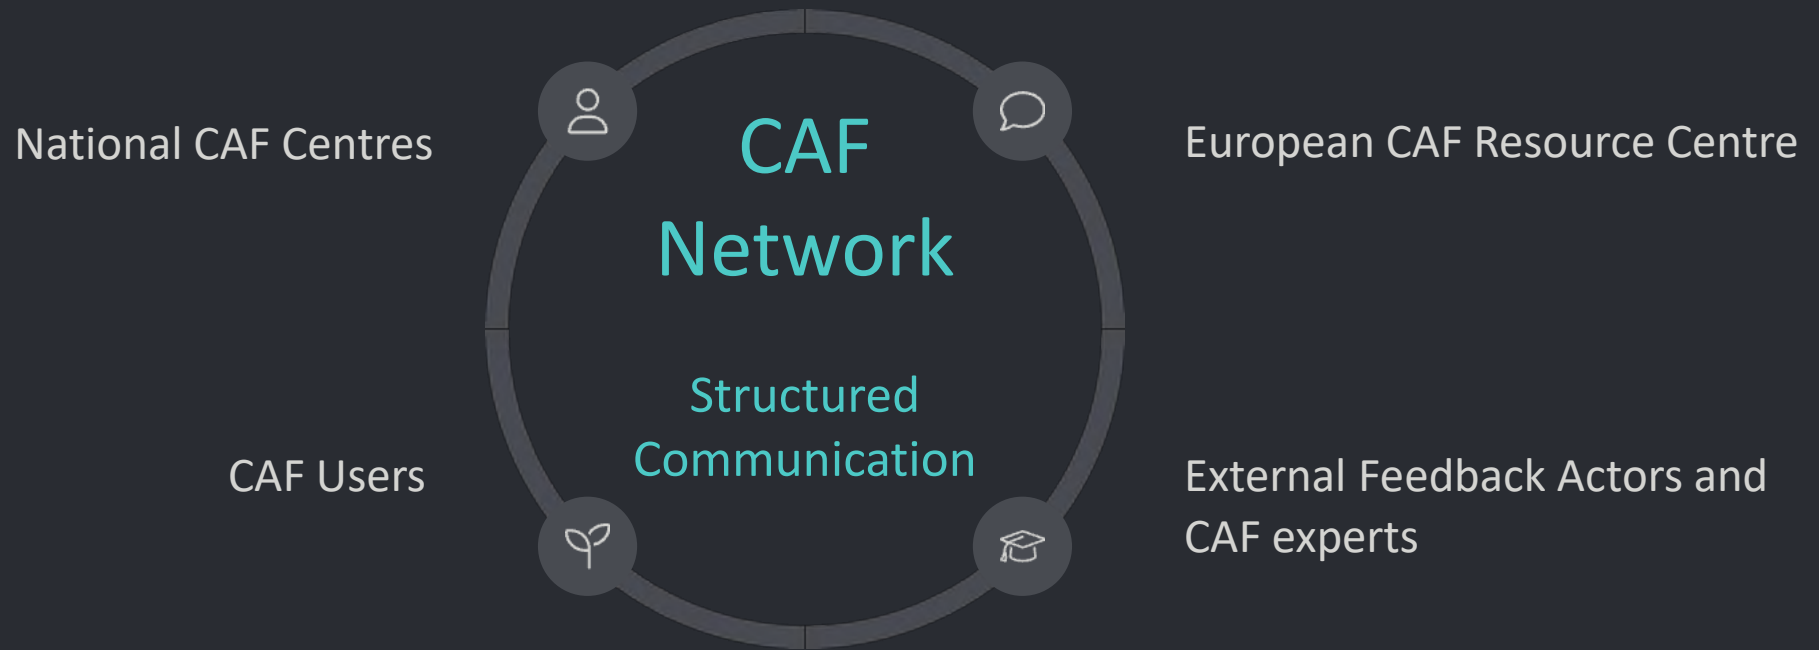

Compact, TSI

Technical support for structural reforms across member states.

EPSA and Public Sector Innovation

Frameworks to foster creative solutions to complex challenges.

# Strengthening CAF Governance and Community

# A Diamond to be Polished - Together We Shape the Future of CAF

## CAF Excellence Recognition

Celebrating outstanding  
achievements across public  
administrations

## Joint Reflection Process

Contribute to the next  
generation CAF development

## Community of Purpose

More than a model—a movement for public sector excellence
