

The CAF Network and its European Resource Centre: Navigating Challenges and Driving Change Successfully

Gracia Vara Arribas & Tihana Puzić

Head and Deputy Head of the European CAF Resource Centre, EIPA

CAF Users Event, Warsaw April 10th 2025

The **CAF Users Event** as the blueprint and key source of inspiration of our work

- Passion for a **human-centric** public sector
- **Principles of Excellence** at the core of each action
- Coordination and support to the **CAF Network**
- **Strong collaboration with National CAF Centres and National CAF Correspondents**
- **Promotion, expertise and commitment** to excellence, good governance and public administration principles by using CAF

What are our challenges? And how we prioritise them?

Driving continuous transformation
in the public sector

Overburdened agendas

Working within smaller budgets

Quality Management Focus in
political agendas

Further alignment with EU and
national & regional priorities

Coordinating,
initiating & facilitating
with CAF expertise:

1. Strong CAF Network and committed
CAF National Correspondents and CAF
Centres

2. **Strengthening capacity-building**
through training & research

3. **Dissemination & exchange
of knowledge** within CAF community
and QM Networks

4. Strong partnerships with EIPA Board
Members and EUPAN, EC, OECD/SIGMA,
ReSPA, GIZ, UNDP and the regional and
local authorities

International CAF Trainers Day

Course: International CAF
Trainers Event - 2024
Edition | learning.eipa.eu

Training Needs Analysis

Conducted beginning of 2024 – targeted CAF users, national correspondents, EFAs, and CAF experts.

High demand for

- Self-assessment process (CAF Phases at a Glance)
- Soft skills and facilitation techniques
- External Feedback Procedure training

Pilot Event

Held at EIPA Maastricht in November 2024.

30 participants from 13 countries + ReSPA and GIZ representatives.

Positive feedback → curriculum refined based on input, and published for free use on EIPA`s website.

International CAF Trainers Day / Mentoring in real time.

Intergenerational and multicultural learning in the CAF community: senior knowledge, sharing the perspectives with the new generations.

„It does not mean that only experienced CAF trainers can meaningfully contribute to the CAF as the change catalyst. It is about the will to learn and to improve our knowledge. And this, everyone with a genuine interest can do“

Italo Benedini, CAF Expert, Italy

Institutionalisation of Quality Management Research

Study Scope

Part of European Public Sector Award (EPSA) 2023–24.

27 EU countries + candidate countries.

Key Findings

Varied maturity in QM across Europe.

Recommendations

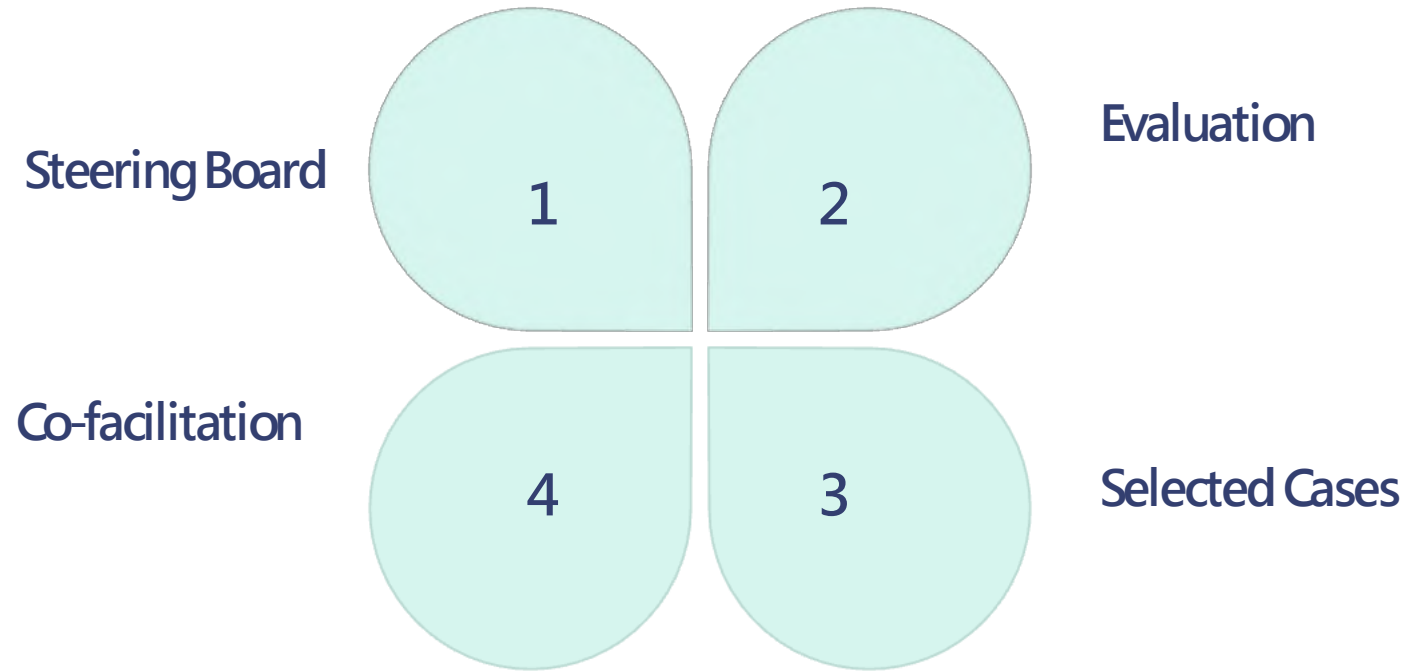

Sustained political commitment.

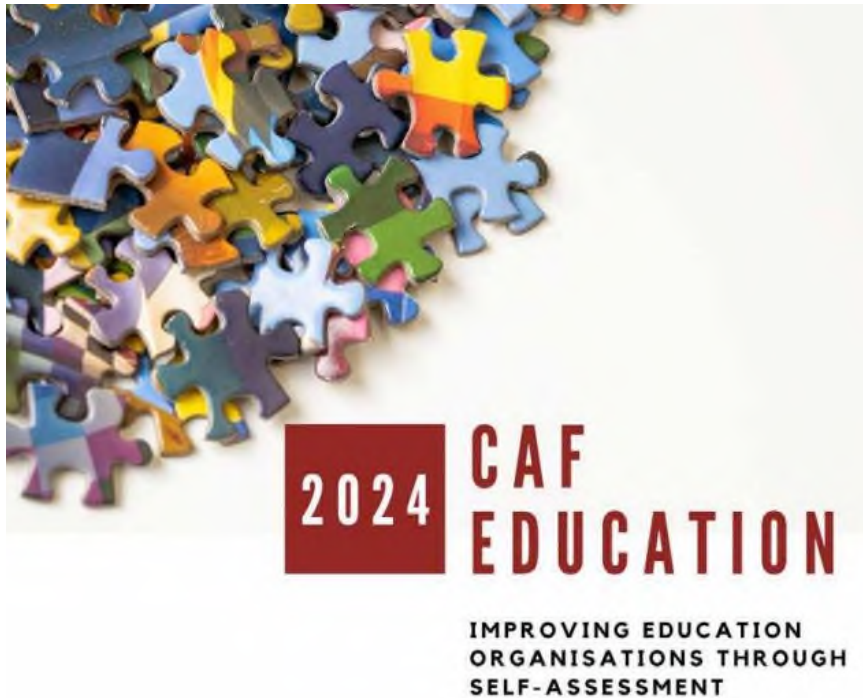

Institutionalisation needs to be reinforced via competence centres

Strengthen cross-border cooperation and knowledge sharing.

Support further bench-learning in QM

Support to the CAF Users Event under the Polish Presidency

Final Version
Published

January 2025

Aligned with
European
priorities

European educational
priorities and SDGs

Structured
approach

Provides a structured
approach to quality
management in
education

COMMON ASSESSMENT
FRAMEWORK

At the Centre of CAF
expert community,
sharing knowledge and
promoting the
excellence of the public
sector:

Caf Compass

Three interviews in 2024: Italy, Bulgaria and
Belgium

(are you the next one?)

Eipa in conversation

More than 200 public servants engaged in the
sessions in 2024

CAF newsletter

2.500 subscriptions

CAF E Tool

English, Polish, German, Armenian, Dutch, French,
Georgian, Portuguese, Romanian
& others in planning

Other Quality Initiatives and Actions

- **New National CAF Correspondents Portugal, Italy, Georgia**
- **Initiatives and studies on country levels in the member states**
- **Preparation of the CAF National Correspondents Meeting**
- **Partnerships with OECD/SIGMA, GIZ (Ukraine, Moldova, Armenia, Georgia, Tunis) ReSPA and Western Balkans**

Challenges & Next Steps

1

Challenges

Political will and sustained commitment to quality: result, process, agility, user and employee orientation

2

Capacity Building and Promoting EU values

Skills development needs and need to integrate EU quality approaches

3

Embedding QM

In governance structures

Next steps:

- Expand training and capacity-building efforts.
- Strengthen cooperation within the CAF Network.
- Ensure continuous alignment with EU governance priorities.
