Warsaw, 16<sup>th</sup> September 2025

*Excellency,*

On the occasion of the 70<sup>th</sup> anniversary of the establishment of diplomatic relations between the Republic of Poland and the Republic of Indonesia, I wish to extend my most sincere congratulations and best wishes.

Over the past seven decades, our countries have built a strong and enduring partnership founded on mutual respect and shared commitment to common values in international relations. This anniversary marks a significant milestone and stands as a testament to the friendship and comprehensive cooperation between our nations.

I note with great satisfaction that both Poland's and Indonesia's economies develop dynamically and our trade exchange grows steadily. The increasing importance of our countries as regional leaders is evident, reflecting the growing strength of our voices on the international stage. In this context, I am convinced of the value and necessity of intensifying our cooperation—both bilaterally and on multilateral fora.

It is my firm belief that the future of our relations holds bright prospects, and that solid foundations we have built over the years will translate into even stronger ties between our nations, which will elevate our partnership to a higher level. I look forward to an opportunity of meeting you in person soon to discuss our bilateral agenda and to define the directions for our joint efforts in the coming decades.

Please accept, Excellency, my best wishes of good health, personal well-being, and continued success in your service to the Republic of Indonesia.

**His Excellency  
Mr Sugiono  
Minister of Foreign Affairs of the Republic of Indonesia
