

BROKERAGE EVENT

CLUSTER 6 HORIZON EUROPE CALLS

The event is designed to facilitate the participation in forthcoming **Horizon Europe multi-actor (MA) project proposals** related to Food, Bioeconomy, Natural Resources, Agriculture and Environment.

You will receive key elements to prepare highly **competitive proposals**, and have an opportunity to **network with potential partners** across policy, research, and practice in order **to join consortia** working on your themes of interest.

26/02/2025

EVENT HIGHLIGHTS

1

How to build highly competitive multi-actor project proposal?

Key elements on multi-actor projects requirements. Tips, tricks & tools to prepare and to join successful multi-actor proposal groups.

2

Digging deeper into upcoming project opportunities

Breakout sessions to better understand funding opportunities for each section of the work programme, and share with potential coordinators or partners.

3

Networking session

Connect specifically with professionals having interest in the same R&I themes as you to shape future potential collaboration in upcoming Horizon multi-actor call topics.
