Strategic Innovation Procurement  
an EIC Business Acceleration Services Programme

## The National Centre for Research and Development

OPEN MARKET CONSULTATION – e-Pitching session

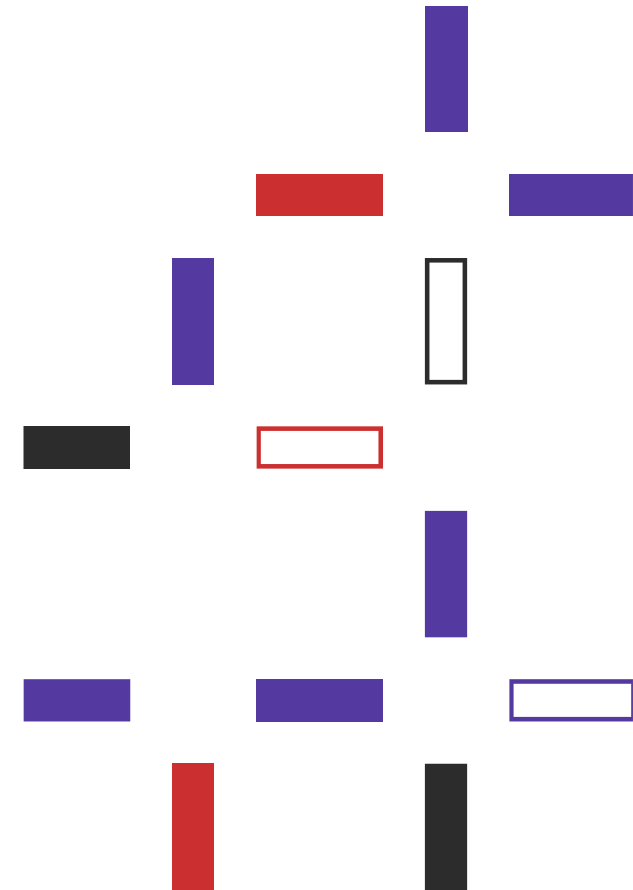

OMC – 17 December 2025

# Instructions

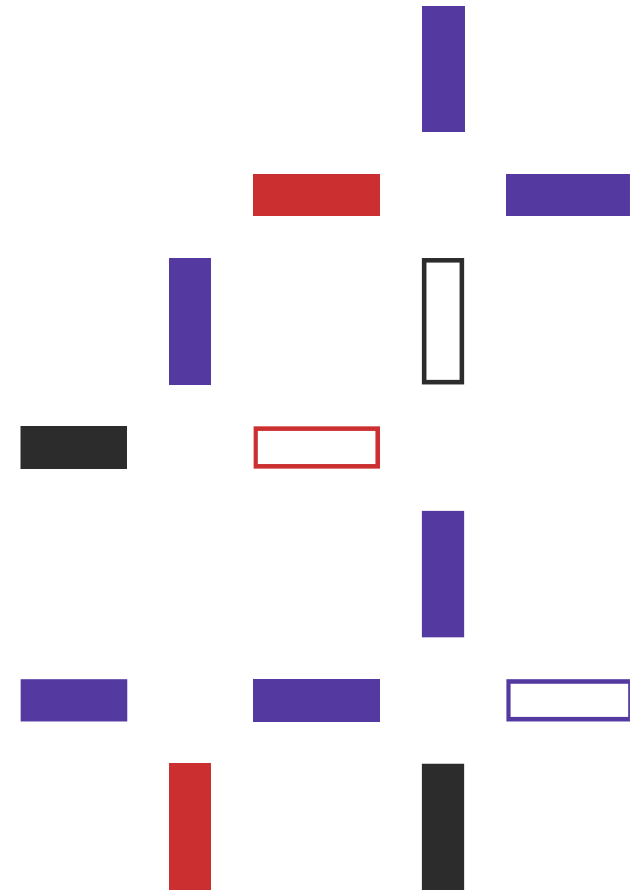

- The e-pitching will take place in the timeslot assigned (10 minutes for each supplier) – **You will be provided a Microsoft Teams meeting link. Please be on time.**
- Suppliers will present their company (2 minutes) and their solutions (5 minutes) based on the questionnaire filled out.
- NCBR may ask questions to suppliers.
- If suppliers have questions, these will only be collected during the e-pitching session, and the answers will be published in the OMC report.
- Suppliers need to send the slides with the information before the e-pitching session. (By the latest 16 December 2025 EOD)
- The session and the information provided by suppliers will be handled with utmost care and confidentiality. It will not be made public. Only general conclusions will be made available.
