

Polish Investment
& Trade Agency
PFR Group

Polish Investment and Trade Agency (PAIH)

The mission of the Agency is to support both the foreign expansion of Polish business and the inflow of Foreign Direct Investment into Poland. The Agency also aims to boost the Polish export. PAIH operates in Poland and abroad via Foreign Trade Offices located around the world.

Offer:

- analysis of export potential
- preparation of export packages
- development of expansion strategies on the market
- preparing lists of business partners
- verification of business partners
- organisation of B2B meetings
- organisation of trade missions
- providing support in dealing with administration
- implementation of investment projects
