POSITION Specialist Process Engineer in the Synaptogenesis Research Group

POSTED 16.02.2026

EXPIRES 01.03.2026

WEBSITE <https://port.lukasiewicz.gov.pl/kariera/oferty-pracy/>

Łukasiewicz Research Network – PORT Polish Center for Technology Development is a Research Institute within the Łukasiewicz Research Network. It focuses on development of new technologies, resulting from basic and applied research, which, in turn, serves as a basis for innovative solutions for the industry. With high-class specialists and state-of-the-art infrastructure, we provide capacity for the most advanced research. Our Institute consists of three research centers – Life Sciences & Biotechnology Center, Materials Science & Engineering Center and Center for Population Diagnostics, with access to specialized core laboratories – a combination, which allows to carry out both, scientific research and pilot studies for the industry in a comprehensive manner.

We currently seek applicants for Laboratory technician (Specialist - Process Engineer) in the Synaptogenesis Research Group.

Major responsibilities:

- Genotyping mice using PCR.
- Maintaining records of the transgenic mouse collection.
- Managing the breeding of over 30 transgenic lines.
- Coordinating communication between the research team and animal facility staff.
- Managing logistics and organizing work in the research laboratory.
- Preparing and overseeing reagent and equipment orders.
- Maintaining organizational order in the laboratory.
- Ensuring cleanliness and work safety.

Requirements:

- Master's degree or equivalent.
- Ability to perform PCR and DNA electrophoresis.

- Good work organization, breaks, and suggestions.
- Analytical skills and attention to detail are essential in this position.
- Good communication skills.
- Good English skills.
- Experience in laboratory work.

Our offer:

- Full-time contract of employment on the post-doc position (Specialist – Process Engineer);
- Co-financing for private medical care.
- Co-financing for a sports card.
- Possibility to join group life insurance.
- Co-financing under the Social Benefits Fund (for holidays and Christmas).
