

Europe Needs Local Superpowers. We Have Some.

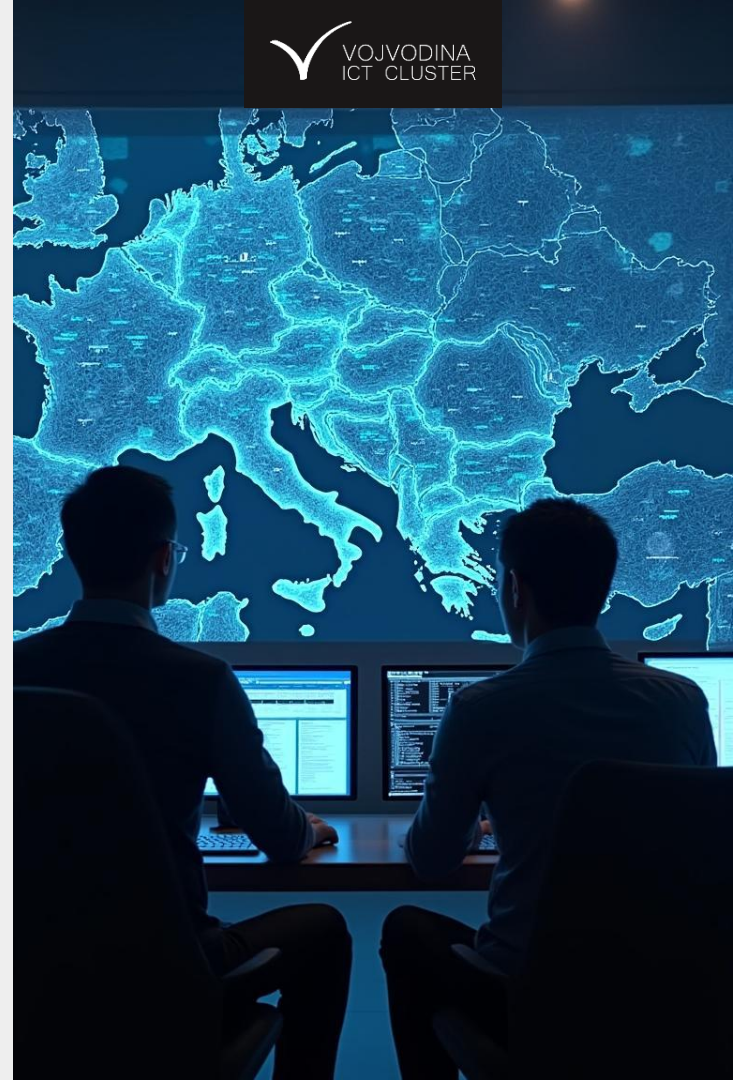

- GenAI won't scale from Brussels.
- It will scale from Novi Sad, Maribor, Szeged, Plovdiv...
- Let's connect places — and make GenAI real.

- ✓ A trusted force for digital innovation in Southeast & Central Europe.

Why Vojvodina ICT Cluster?

- ✓ 200+ tech SMEs, universities & local govt in our network
- ✓ 15+ years in EU-funded digitalisation and innovation projects
- ✓ Pioneers in AI deployment, language tech, and smart governance tools
- ✓ Based in Novi Sad, connected across the Danube region & beyond

What We Bring to Projects

 Piloting Sites	 Tech Ecosystem	 Cross-Border Impact
Access to local & regional govt.	SME & startup pipelines for GenAI.	Replication to EU13, WB6, Danube region.
Institutional trust & public sector UX.	Integration & localization experts.	Culturally aware, multilingual deployment.

Need a Grounded, Capable Partner? That's Us.

We deliver:

- ✓ Deployment capacity + legal/technical adaptation.
- ✓ Communication & Dissemination WP leadership.
- ✓ Stakeholder events & public sector engagement.
- ✓ Content strategy, storytelling & visibility.
- ✓ Access to GenAI developers & public buyers.

We turn pilots into **replicable success stories** — and connect them to those who need them.
