

RFQ_569 – PISA 2025 Out-of-school assessment integrated option – Webinar announcement

On the 4th of February 2022, the Organisation for Economic Co-operation and Development (OECD) launched a Call for Tenders to determine the Contractor of the PISA 2025 Out-of-school assessment integrated option.

The PISA team at the OECD Secretariat has organised information sessions to inform potential candidates of the work involved in the Out-of-school assessment integrated option and to answer any related questions surrounding this Call for Tenders. To accommodate for different time zones, two webinars will take place on Friday 18th February, one at 10 hrs and another at 13 hrs (Paris time). They will be 60 minutes long.

In order to attend the webinars, interested candidates must **register** by following one of the links below:

First session, **Friday 18th February 10 AM CEST:**

After registering, you will receive a confirmation email containing information about joining the webinar.

Please send in any questions regarding the Out-of-school assessment or the tendering process using the messaging system of the [sourcing platform](#) in advance so that the PISA team can address them during the meeting. Please quote “Questions for webinar- RFQ_569 PISA 2025 OOSA” as the email subject.

Thank you in advance for your participation. We look forward to sharing more details about this Call for Tenders with you on Friday 18th February.
