

Final technical report - indicators

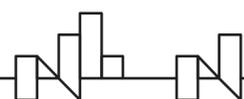

Indicators and their target values according to project proposal

1. Number of peer-reviewed scientific publications **submitted**
2. Number of joint, peer-reviewed scientific publications **submitted**
3. Number of new products/technologies developed (incl. number of registered applications for Intellectual Property Protection)
4. Number of **registered applications** for Intellectual Property Protection
5. Number of Polish researchers supported
6. Number of Norwegian researchers supported
7. Number of female researchers going abroad for research
8. Number of mentor-mentee relationships established for young researchers
9. Number of joint applications **submitted** for further funding

Description of indicators is available:

- **template of the final report on the PO website - <https://www.gov.pl/web/ncbr-en/project-implementation>**
- **„EEA and Norway Grants 2014-2021: Core indicator guidance” - https://eeagrants.org/sites/default/files/resources/Core%20Indicators%20Guidance%20FM14-21_November%202022.pdf**

INDICATORS OF THE PROGRAMME - values

DISSEMINATION AND PROMOTION – detail information

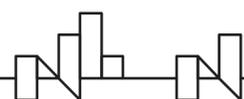

D1. PUBLICATIONS

D2. CONFERENCES AND SEMINARS

D3. NEW PRODUCTS/TECHNOLOGIES DEVELOPED

**D4. REGISTERED APPLICATIONS FOR INTELLECTUAL PROPERTY
PROTECTION (IPR)**

D5. APPLICATIONS FOR FURTHER FUNDING

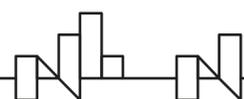

Final technical report - indicators

Values reached in 2023 and 2024 should be forwarded to the PP

Values reached until the end of 2022 (last annual report) are already available the final report

Final report shall present total values reached from the beginning of the project implementation to the end of the project

Description and justification of discrepancies should be given if there is a difference between the target value and the value finally achieved

Final technical report - indicators

PUBLICATIONS

Check boxes for max. 3 the most representative publications that resulted from the project

No.	Title of publication	Authors	Joint publication (YES/NO)	Name of journal	IF	Date of submission for publication	Status of publication	Language	Open access publication	Link to publication	Additional information for open access publication: - DOI (Digital Object identifier) - Repository link - Date of acceptance	The most representative publications	Peer-reviewed scientific publications	Action
1										not applicable		<input type="checkbox"/>	<input type="checkbox"/>	Edit Delete
Abstract														
-														

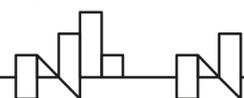

All publications considered under „Peer-reviewed scientific publications submitted” indicator should be described in detail (submitted, accepted, rejected) as of the end of the project

Joint, peer-reviewed, scientific publications submitted (other indicator) are included in the total number of the peer-reviewed scientific publications submitted

- Aggregate value should be less than or equal to the aggregate value for indicator **Number of peer-reviewed scientific publications submitted**

Publication other than included in „Peer-reviewed scientific publications submitted” (e.g. under preparation, other than peer-reviewed) can be added and described in detail

Each publication must include a statement indicating the funding from the Norway or EEA Grants 2014-2021 via NCBR

Final technical report - indicators

CONFERENCES AND SEMINARS

								Add
D2. CONFERENCES AND SEMINARS								
No.	Title of presented work	Authors [?]	Name of the conference / seminar	Date and place	Type [?]	Presentation / poster / other (specify)	LINK [?]	Action
If the project doesn't have any work presented, please check the box. <input type="checkbox"/> This project does not have any work presented								

Final technical report - indicators

NEW PRODUCTS/TECHNOLOGIES DEVELOPED, IPR

D3. NEW PRODUCTS/TECHNOLOGIES DEVELOPED [?]											
(A single product (good or service) or single technology developed or significantly improved as a result of EEA and Norway Grants 2014-2021 support)											
No.	Name	Description			Project Partners			Registered applications for intellectual property protection (IPR) [?]		Action	
1								<input type="checkbox"/> YES <input type="checkbox"/> NO		Edit	Delete

D4. REGISTERED APPLICATIONS FOR INTELLECTUAL PROPERTY PROTECTION (IPR)											
No.	Name	Type of IP Rights	Application reference / number	Date of the application	Official title of the application	Patent office	Jointly registered applications for Intellectual Property Protection [?]	Applicant(s)	Has the IPR protection been awarded? [?]	If available, official publication number of award of protection	Action
1							<input type="checkbox"/> YES <input type="checkbox"/> NO		<input type="checkbox"/> YES <input type="checkbox"/> NO		Edit Delete

All products/services/technologies considered under „Number of new products/technologies developed (incl. number of registered applications for Intellectual Property Protection)” indicator should be described in detail as of their status at the end of the project

Registered applications for IPR (other indicator) are included in the total number of new products/technologies developed and should be described with more details

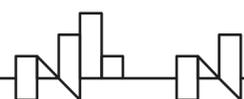

- Aggregate value should be less than or equal to the aggregate value for indicator **Number of new products/technologies developed**

Type of IP Rights

Select Value

Select Value

- copyright
- industrial design
- trademark
- patent
- community design
- other

Final technical report - indicators

APPLICATIONS FOR FURTHER FUNDING

D5. APPLICATIONS FOR FURTHER FUNDING

No.	Title of the project	Project partners	Joint application 	Funding source (applied for) 	Funding source (applied for) - name of the programme	Status of the application 	Project budget (EUR) 	Action
<p>If the project doesn't have any application for further funding, please check the box.</p> <p><input type="checkbox"/> This project does not have any application for further funding</p>								

All applications considered under „Joint applications submitted for further funding ” indicator should be described in detail (submitted, funded, rejected) as of their status at the end of the project

Application for further funding other than included in „Joint applications submitted for further funding ” (e.g. under preparation, other than joint) should be added and described in detail

Thank you for your attention.
