SCIENTIFIC DISCIPLINE: information and communication technology

ANNOUNCEMENT DATE: 17/07/2026r.

SUBMISSION: 31/07/2026r. 3:00 pm

WEBSITE: www.iitis.pl

Description:

IITIS PAN is offering an assistant position in the Security, Modelling and Performance Evaluation Group. The successful candidate will participate in research on the security and robustness of machine learning systems, with particular emphasis on adversarial attacks, defence methods, and vulnerability analysis of machine learning models. The position does not involve teaching duties.

Requirements:

- a Master's degree in computer science or a related field;
- proficiency in Python, including familiarity with its scientific computing libraries;
- knowledge of machine learning methods and techniques, particularly deep learning;
- research experience in adversarial attacks;
- good proficiency in both English and Polish.

Additional advantages:

- the ability to collaborate effectively in a research environment, demonstrated, for example, through participation in a student research group;
- experience in preparing scientific publications, documented by a copy or copies of the relevant article(s).

Required documents:

- Application and CV;
- proof of having obtained a Master's degree;
- Statement that in case of employment, the IITiS PAN will be a place of scientific activity in the information and communication technology discipline, in accordance with the Act of 20 July 2018 – Law on Higher Education and Science.
- A statement stating that in the event of winning the IITiS PAN competition, I will declare the willingness to be included to the employees conducting scientific activities in the information and communication technology discipline, in accordance with the Act of 20 July 2018 - Law on Higher Education and Science
- Additional documents (or their copies) confirming qualifications.

ITAI PAS does not provide accommodation.

Applications should be submitted to the Secretariat of the Institute of Theoretical and Applied Computer Science of the Polish Academy of Sciences, ul. Bałtycka 5, 44-100 Gliwice, with the following note on the envelope: "Competition for the position of assistant at ZMOEIBSK" Alternatively, scanned documents can be sent by email to konkursy@iitis.pl with the subject line "Competition for the position of assistant at ZMOEIBSK."

The deadline for submitting applications is July 31, 2026, 3:00 p.m. (the date of receipt by IITiS PAN is decisive).

Interested candidates are encouraged to contact the manager, dr hab. Inż Joanna Domańska, email: joanna@iitis.pl, for detailed information and explanations regarding the competition.

By submitting your application for this competition, you consent to the processing of your personal data by ITAI PAS, as the personal data controller, for the purpose of recruitment for the position indicated in the competition announcement. You may withdraw your consent at any time by emailing to iod@iitis.pl
